Free Drive-Thru Food Pantry Open to All Local Seniors

BATON ROUGE, Louisiana (05/09/2020) – The East Baton Rouge Council on Aging (EBRCOA) is elated to announce that their Drive-Thru Lotus Food Pantry will open Wednesday, May 13th from 11am to 2pm at their Antioch Senior Center located at 7140 Suite E Antioch Road. The drive thru food pantry is open to all senior residents in East Baton Rouge Parish. Usually, the Lotus Food Pantry only services EBRCOA senior clients who are food pantry recipients; however, on Wednesday any resident 60 years or older can take advantage of this service while supplies last.

Seniors should drive up to the Antioch Senior Center, pop their trunk and an EBRCOA staff member will place their groceries, lunch and supplies into their vehicle. The EBRCOA will distribute bags of groceries. In addition fresh fruit and vegetables are being provided through a donation from Merchants Foods Service and State Representative C. Denise Marcelle. Each senior will receive fresh bread donated by First Financial, Dr. James Gilmore, Bell's Janitorial Service and Baton Rouge Sigma Alumnae Chapter of Delta Sigma Theta. Seniors will also be supplied with household items and toiletries donated by 100 Black Women BR and Change. A hot lunch will be provided that has been organized by Chef Celeste from a group of local restaurants and caterers such as Mestizo, Indulgence, DC Eats, Chef DJ, Chef Jean Pierre, Chef Jim Urdiales and Chef Michelle.

The EBRCOA Lotus Food Pantry is a senior-focused free food pantry designed to combat senior hunger in East Baton Rouge Parish. The pantry service is made possible through a partnership with the Greater Baton Rouge Food Bank, the USDA and the Louisiana Department of Agriculture.

“During this pandemic, our senior community has an ongoing need for fresh food and supplies. It is our goal to not only meet this need, but to provide a surplus so that all seniors can be serviced. We are committed to continue living our mission to serve the seniors of Baton Rouge, while also following safe guards and minimizing the transmission of COVID-19,” said Tasha Clark-Amar, Chief Executive Officer of EBRCOA.
